

Breakfast Club

Our Breakfast Club runs from 08.00 every morning, operating under a booking system as places quickly get booked due to popularity. We offer a healthy breakfast of cereal, toast, fruit or a little bit of everything for just £3 per session. We also offer a 'Drop In' service for just £1, starting at 08.30. This is perfect for missing the morning school rush or if you want to get a head start on your day. There is no need to book this session.

After School Club

Our After School Club runs until 17.45 each night. Like our Breakfast Club, this operates on a booking system only. We run two sessions, 15.15 to 16.30 which costs £4.50 and 15.15 to 17.45 which costs £7.50. Both these include a healthy snack apart from a Friday night when it is Movie Night where popcorn is served as a pre-weekend treat.

You can book places for both these clubs by calling the school office or e-mailing Mrs Mitchell on office@misson.notts.sch.uk

Extra Weekly Activities

As well as the daily wrap around care we also offer a number of extra-curricular events throughout each week. Monday after school sees our key stage 2 children having the chance to take part in our Netball Club, while Tuesday is Football night. We also offer a Baking Club and Craft Club on a Tuesday, which is open to all ages. From September we are extremely excited to announce, both an early morning running / fitness club and a military style After School Club (KS2 only) run by Nik Keast of Military Training and Fitness. Further details of this will follow shortly.
