

## Government Sports Premium Funding Grant

Since April 2020 to March 2022 Misson Primary School have used the Government's Sports Premium Funding Grant to help educate our children to develop healthy lifestyles , aiming to improve attitude, confidence and behaviour while effectively managing the financial expectation and staying within the guidelines of the grant.

Whilst incorporating the recovery and blended curriculum, we set out proposals to expose our children to a variety of sports and physical activities, that they may otherwise not experience. We planned to give every student the opportunity to succeed and excel, not only in competitive sports, but in alternative types of physical activity that suite them, their strengths and their personality.

Covid-19 has undoubtedly had a huge impact on all children and their mental health has been a continued focus for all educators, not just at Misson Primary. By making sustainable improvements and adding to our facilities, we have been able to provide a safe environment where we can focus on each pupils willingness, readiness and enthusiasm to participate in physical activity, whether this be through competitive team events, resilience based group activities or sheer perseverance on an individual basis.

Targeting the children with low motivation and self esteem has had to be a focus since returning to school, using break-out groups and cross curricular activities to keep these children engaged.

Outside learning has become a major aspect of our focus, taking physical activity outside wherever possible. All this has been made possible because we have provided the teaching staff with the tools and skills to have the confidence to deliver such sessions.

## 1. School Information

Academic Year	2020/21 & 2021/22	Total Sports Premium Budget	£33,600
Total Number of Pupils	105	Sports / PE Lead	Nathan Jones
Date of last SP Review	01 April 2020	Date of next review	31 March 2022

Key areas of focus and development from April '20 to March 22	Details on what we are wanting to achieve & how we will do this
1. Engage all pupils in regular physical activity	• Invest in some good quality equipment
	• Continue to run after school football club and develop other after school club provisions such as netball.
	• Run the daily mile challenge for KS2
	• Arrange theme days around different sporting events
	• New portable sound system
2. Provide high quality Physical Education to all year groups	• Various school trips to different sporting events - Trampolining / Rock Climbing / Rugby / Indoor Athletics
	• Coaching support from experts to introduce pupils to different types of sport
	• Continue the professional development (CPD) of our sports lead
	• Replace any old or damaged equipment, ensuring staff have the correct equipment to provide good quality PE lessons
	• New outdoor flooring in our Foundation stage area, encouraging children to be more confident in movement while developing their fine motor skills.
	• New storage for PE equipment

	<ul style="list-style-type: none"><li>• Provide new playground equipment that will encourage the children to be more active whist outside</li></ul>
3. Support, encourage and develop healthier lifestyles for all pupils through PE	<ul style="list-style-type: none"><li>• Develop and drive forward the growth of a 'Forest School' or 'Learning Outside the Classroom', encouraging the less competitive children to take part in physical activities</li><li>• Raise the profile of PE across the school</li></ul>

Desired outcome of our focus areas	Costings	Success following development programme
1. Engage all pupils in regular physical activity		
<ul style="list-style-type: none"> <li>- Invest in age appropriate netball posts and more footballs</li>   <li>- New PE equipment</li>   <li>- Daily Mile for KS2</li> </ul>	<p>£535 - 2 x full size netball posts / 1 x smaller post / balls and bibs</p> <p>£2,553.30</p> <p>£15</p> <p>X (no cost incurred)</p>	<p>Introduction of a netball ASC with a high, consistant attendance rate as well as maintaining numbers in the already popular football club</p> <p>PE lessons led by staff who have confidence in the equipment they are using including specialised equipment for SEN children and less able pupils (*)</p> <p>New footballs for our Wrap-Around Childcare after school club to encourage sports and teamwork</p> <p>All the KS2 children have become engaged in this daily activitiy, taking part whenever the weather is suitable. There is no immediate cost implications at the moment but plans and costings are being looked at for playground markings in the shape of a running track and a solarpanelled stop clock which will be placed at the START/FINISH point.</p>

- Theme Days	£100	A Euro themed day was run by a local football club. Years 3-5 took part in a football themed event run by members of a local football club. Communication skills, confidence, and team building in mixed ability groups made up a full day of fun, skills and outdoor activities.
- New Portable Sound System	£416.31	We have purchased a new sound system that can be used either inside or outside. Music is now played at breaktimes to encourage dance, movement and agility by children who do not engage in competitive sports - JBL EON ONE Compact - All in one Rechargeable Personal PA System
- School Trips - Trampolining and Rock Climbing	£160 for the coach	Year 5 have taken part in an adventure morning at the Elizabethan Academy. They have taken part in rock-climbing and trampolining, helping with confidence, resilience and determination
- Tag Rugby Club	£296 for the coach	Two teams from years 5&6 attended a tag rugby festival at Retford Rugby Club, demonstrating great team work, knowledge of the game and sportsmanship to other schools in our area.

## Misson Primary School

*You already have your wings, we will help you fly*

Desired outcome of our focus areas	Costings	Success following development programme
<p>2. Provide high quality Physical Education to all year groups</p> <ul style="list-style-type: none"> <li>- Basketball by Steven Bell</li> <li>- Military PE with Nik Keast</li> <li>- New Match Winner Velour flooring for the EYFS outside area</li> </ul>	<p>6 x 1 hour coaching sessions £30 totalling £180</p> <p>£75 per afternoon. 2 afternoons a week for 11 weeks totalling £1650</p> <p>£200 per day, 1 day a week totalling £3400</p> <p>£2,084.11</p>	<p>The introduction of basketball over a 6 week period (22/04/21 -27/05/21) providing new technical skills to children while teachers received professional CPD.</p> <p>03/05/21-23/06/21 - Military style PE by an ex-military PE instructor to teach KS2 teaching vital skills and discipline, teamwork and resilience, while teachers receive CPD. All activities are linked to wellbeing and mental health.</p> <p>From September to April we continued to use Nik Keast every Wednesday his techniques, values and standards made a huge difference to the children.</p> <p>Bought from Bingham Ground Services. A new 8m by 6m area encourages the gross motor skills, development, movement and balance. We can focus on hand-eye co-ordination in line with the new EYFS framework as well as teaching team-work and resilience.</p>

<p>- New shed to store PE equipment</p>	<p>£2,675</p>	<p>Bought from KJS Garden Buildings at Walkers Nursery Blaxton. A new 12ft by 10ft shed to house all the new equipment.</p>

<p>Key Area 1 Total Cost :</p>	<p>£17,087</p>	<p>Percentage of grant used: 50.85%</p>

Desired outcome of our focus areas	Costings	Success following development programme
3. Support, encourage and develop healthier lifestyles for all pupils through PE		
<p>- Forest School / Outdoor Learning Classroom Area</p> <ul style="list-style-type: none"> <li>• Initial Den building equipment and storage units bought from Cosy</li> <li>• Outside teaching classroom</li> </ul>	<p>£890.69</p> <p>£5,059</p>	<p>The initial introduction of the outside learning environment was to encourage every student to be active outside, even if they are not naturally competitive and motivated in sport. It has engaged these students in healthy activities that develop team building, leadership skills and drive, regardless of their previous confidence levels. Resilience, self esteem and children wanting to be outside has made a huge difference to mental wellbeing.</p> <p>Bought from KJS Garden Buildings at Walkers Nursery Blaxton.</p>
Key Area 1 Total Cost :	£5,949.69	Percentage of grant used: 17.71%

## Government Sports Premium Funding Grant - Summary

Unfortunately, due to circumstances outside of our control, we were not in a position to spend the 2020 - 2021 Sports Funding Premium so in the financial year 2021 - 2022 we had a budget of £33600 to invest in our students.

81.34% of the budget was spend, a total of £27224.63.

Therefore we are rolling over £6375.37 into the next financial year, 2022-2023, 18.66% to continue to build on our provisions.
